Declaration
Petition to Make Special
- 37 CFR 1.102(c)

1. I am the sole inventor and applicant in respect of the above application. My age is 70 years.
2. Early examination may allow me to profit from my invention, and facilitate its implementation if the Examiner's report is favourable.
3. I HEREBY declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
